Education built the Educate Live app as a Commercial app. This SERVICE is provided by Education and is intended for use as is.

This page is used to inform visitors regarding our policies with the collection, use, and disclosure of Personal Information if anyone decided to use our Service.

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory.

Security

We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

Children's Privacy

These Services do not address anyone under the age of 13. We do not knowingly collect personally identifiable information from children under 13. In the case we discover that a child under 13 has provided us with personal information, we immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we will be able to do necessary actions.

Contact Us

If you have any questions or suggestions about our Privacy Policy, do not hesitate to contact us at [App contact information].

About us

Welcome to Honorian Academia! We are a dedicated team of learners and creators, committed to providing engaging and effective educational experiences. Let us introduce ourselves

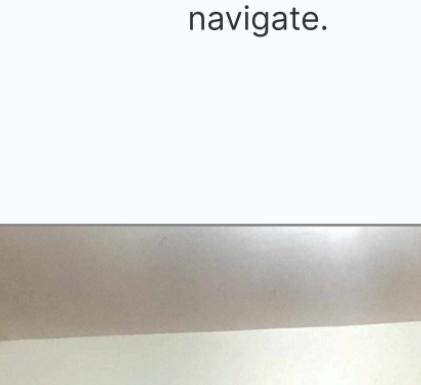

David Monzon

As the leader of our team, I bring a passion for education and technology. With a background in instructional design, I strive to make learning accessible and enjoyable for all.

Jomari Ramos

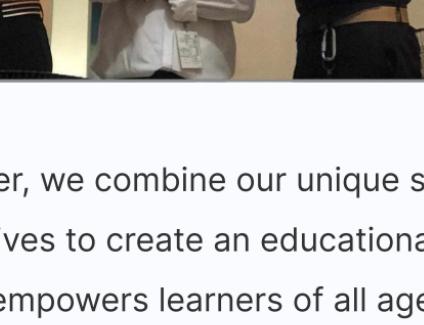

Our tech guru, Jomari is responsible for the seamless functionality of our application. His expertise in software development ensures that our users have a smooth and glitch-free learning experience.

Raely Ivan Reyes

As a content specialist, Raely Ivan brings a wealth of knowledge in various subjects, ensuring that our educational materials are accurate, relevant, and

engaging.

Jesie Reyes

With a keen eye for design and user experience, Jesie ensures that our application is not only informative but also visually appealing and easy to navigate.

Together, we combine our unique skills and perspectives to create an educational platform that empowers learners of all ages and backgrounds. Join us on this journey of discovery and knowledge acquisition!
